Switch on Maturity for units held in Demat-Transaction Slip

Dematerialization: Investors have the option to hold the Units in dematerialized form. Currently, this facility is not available in case of units offered under the Daily/Weekly/Fortnightly Dividend Option(s) under all income/debt/liquid Schemes. Investors who want an allotment of units in demat mode must have a beneficiary account with a Depository Participant (DP) of the Depositories i.e. National Securities Depositories Limited (NSDL) / Central Depository Services Limited (CDSL). If PAN is not mentioned by applicants, the application may be rejected. Investors may attach a copy of the Client Master Form / DP statement showing active demat account details for due verification. Names, mode of holding, PAN/Aadhaar details, etc. of the investor will be verified against the Depository data. The units will be credited to the beneficiary (demat) account only after successful verification with the depository records and realization of payment. In case the demat details mentioned in the application are incomplete/incorrect or do not match with the depository data, the application shall be treated as invalid for processing under demat mode and therefore may be considered for processing in non-demat form i.e. in physical mode if the application is otherwise valid.
